

As the Aviation technology is ever changing, our programmes are designed to match the advanced requirements that technology needs. Our curriculum includes programs with enhanced learning techniques and with the touch of modern approach. Our instructors are dedicated to achieve excellence in the field of training students to capture leadership in advanced technology in the field of Aeronautical and Aerospace Aviation.

Rajiv Gandhi Academy for Aviation Technology has been set by the Govt of Kerala to provide quality training to young aspirant pilots who wish to become future professionals in the booming aviation sector. It is mainly intended to create dynamic young talents in aviation field, to build our national strength by enhancing their skills and attitudes, and equipping them to serve the competitive aviation industry world wide.
